

Downloading the Transparent Language Mobile App

Follow these simple instructions to access your free Transparent Language mobile app included with your Transparent Language Online account. You can be on your way to learning on-the-go in no time!

Step 1

Log in to your Transparent Language Online account. Once you're logged in, click on the "Go Mobile" button in the top right part of the screen.

Step 2

Review the instructions on how to download Transparent Language's mobile application on your smartphone or tablet.

This will give you a code to plug into the mobile application.

Step 3 for iOS

From your iOS device, go to the App Store, search for "New Transparent Language", and hit the "Get" button.

Step 3 for Android™

Go to the Google Play store or Amazon Appstore, search for "Transparent Language", and download the Transparent Language mobile app.

Once your app is downloaded and installed, open it and input your **User Name** and **Password** that you got from the Go Mobile popup in Transparent Language Online (see Step 2).
